

Peter Marcus  
District 5670 Governor 2010-2011

It is an honor and privilege to be elected to serve as a club president.

To help you fulfill your role as president, Rotary offers top-notch training by those who have walked the walk. It is a rare chance for you to meet the new incoming International President of Rotary, Ray Klinginsmith. He along with others will give you a rare vision of Rotary from those whose lives have been unalterably changed by Rotary.

Our district has been chosen as a Pilot District for Future Vision. This is an exciting new Rotary program that is just coming into its own. You will meet other presidents from District 5670.

Make your reservations early and discover why Heartland Pets/Sets will be an integral part of your preparation in assuming your role as club president. I look forward to meeting you and serving with you during our Rotary year, 2010-2011.

Bio:

My wife and I were married in 1962. We attended the Fort Hays State University and received our Bachelor's Degrees. Currently, I am serving as President of the Kansas West Annual Conference Board of Trustees of the United Methodist Church and the President of the Ness City Public Library Foundation, Inc.

I was asked to join the Ness City Rotary club in November of 2003. I have served as club secretary, director, vice-president, president, and as assistant governor for District 5670. I have had a terrific mentor, Basil Marhofer, a former Vice-President of RI and a former District Governor. He encouraged me to attend the district meetings. At first reluctantly, but now eagerly, I have attended all of the Paul Harris Banquets and District Conferences since 2004. Because of those meetings, I have eagerly embraced the ideals of Rotary.
